

**MIMAKI Electronic Components Co., Ltd.**  
& division Mimaki Eco Lighting

- (NEW) Optoelectronics, and Microelectronics
- Component- quartz oscillator, chip diode
- Communication components & Transmission systems

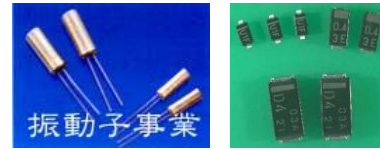

**Optoelectronics**

- \* Light Emitting Diode (LED) components and modules,
- \* PLCC, \* SMD, \* power LED, \* modules, \* strips,
- \* Custom, \* design, \* manufacture

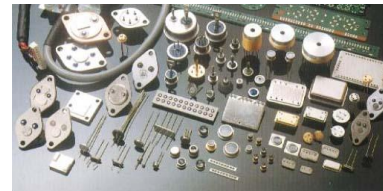

**Components**

- \* Oscillator & Chip Diode Divisions
- \* Chip Board Mountings

**Microelectronic Packaging**

- \* High density, \* hermetic, \* with glass optics,
- \* Modules for cell phone, sensor, etc.,
- \* COB, \* WB, \* FC, \* SMT

**Communication**

- \* Fiber OPTIC components &
- \* Video / data Transmission Systems,
- \* Light mount technology, high precision & frequency,
- \* Light, semiconductor, space coupling core technique tech.

**Performance Products - Custom**

- \* LCD drivers for mobile phone unit,
- \* Memory package for mobile phones (CSP),
- \* Camera module for mobile phones,
- \* Small LCD display, \* Thermal printer module,
- \* LED circuit, LED modules for printers,
- \* Sensor circuit for the scanner unit,
- \* Scanner unit light source (RGB),
- \* Fingerprint sensor unit,
- \* Luminescent sensor for receiving motor control,
- \* Oscillation circuit implementation and dexterity,
- \* D/D converter implementation & final assembly,
- \* Surface mount board assembly various and mixed

**Services & Capabilities**

- \* Design, \* Develop, \* Prototype, \*Test,
- \* Sample, \* Certify, \* Manufacture
